

BPW International

BPW International is one of the most influential international women's organizations in the world.

BPW International was founded in 1930, and is represented in nearly 100 countries, with over 20,000 members in Europe.

BPW offers personal development programs for members such as mentoring, leadership training and e-Business training.

BPW has consultative status with the United Nations Economic and Social Council (ECOSOC) and participatory status with the Council of Europe.
